

## **Bio - Chen Herzog**

Mr. Chen Herzog, Partner, is the Chief Economist of BDO Consulting Israel. Has more than 20 years of professional experience in economic consulting and advisory for international corporations, government-owned entities and large companies in Israel. He has performed valuations, written economic opinions on complex issues and has advised on mergers and acquisitions. Chen has a deep understanding of a wide range of industries including energy, natural resources, defense industries, chemicals, transportation, communications, infrastructure and airports. Chen provides expertise in economic and financial analysis of sector trends, government policy and macro-economic factors, including the performance of feasibility studies from various viewpoints. Mr. Herzog holds an M.A. in Economics from the Tel Aviv University. Previously, Mr. Herzog served as Vice President and Director of Microeconomics for Economic Models (an economic consulting firm headed by Dr. Yacob Sheinin), and was the CEO of Mutual Funds Limited Models.
